Submit your application form by April 4, 2021.

We will choose the finalists by mid-May so that mentoring can begin in Summer 2021.

Interested in applying?

Monthly mentoring from a licensed school psychologist to support you as you apply to graduate programs in school psychology in Massachusetts.

This includes workshop and shadowing opportunities to learn more about the field, as well as support with your applications, personal statement, and preparation for interviews.

Financial support will be provided to support in cost of application fees and test-taking.
